Well so much for my wonderful luck at ordering the Xbox 360 on Bestbuy.com. Seems they screwed up and sold too many so I get a backorder slip. Just my luck. Here is the note I received from them.

Dear Best Buy Customer,

Thank you for your Xbox 360 order on BestBuy.com.

Due to high demand, we oversold our limited allocation from Microsoft. Your Xbox 360 is on backorder and will not be available for delivery by December 23. Backorders will be fulfilled in the order in which they were taken when future allocations of the console are received from the supplier.

We apologize for any inconvenience. If you would like to cancel this item from your order, modify the shipping address or have any questions, call us toll-free at 1-888-BEST BUY (1-888-237-8289). We will not be able to modify your order to in-store pickup. For faster service, tell us the order number when you contact us.

Thank You.
