Yes, we are still here....been busy....lots of stuff has happened....some good.....some bad.....you know....the normal way life is. We have put an update in the Photo Gallery to remember Sarahpoo's sister Amy who's work here on earth was completed and she left to go and see her oldest son David. We are quite confident that they are having a wonderful time and look forward to the day when we will all be reunited. Life is like a life saver. It is sweet, but is also too short.
